We start with a singular focus... to create the perfect environment for water.

Art is subjective. That’s why we offer a variety of liner patterns designed to create the perfect poolscape for you.

A masterpiece is created!

Fort Wayne Pools liners are designed and manufactured using the most advanced technology in the industry. First our professional designers create a precision drawing of the liner, then our trained machine operators produce a precision-crafted liner that must meet our stringent quality standards. The result is virtually a masterpiece worthy of display in any pool.

A quality, perfect fitting liner backed by one of the best warranties in the industry. Like famous artists sign their work, each liner is worthy of the Fort Wayne Pools signature.

Visit fortwaynepools.com to view our extensive pattern tile selection.

Fort Wayne Pools is the leading inground vinyl liner manufacturer in North America and we offer:

- Prime Selection of Designer Patterns
- Exclusive Designs
- Superior Quality Vinyl Materials
- Computer Driven State-of-the-Art Technology
- 60 Years of Experience
- An Excellent Choice for Replacement Liners
- One of the Best Liner Warranties in the Industry
- Ultra-Seam standard on every liner.
- Liners carry a 5-year full, 15 year prorated, transferable limited warranty.

2017 VINYL LINERS

Standard pool liners present visible lines on the pool floor at the seams which ultimately detract from the beauty of the pool. Our innovative Ultra-Seam® technology elevates our liners to an entirely new category. This exclusive process makes floor seams stronger and virtually invisible, so there’s nothing that gets in the way of the picture perfect beauty of your pool!

Now standard on every Fort Wayne Pools Liner.

For more information, ask your dealer about Ultra-Seam!

Here’s what your neighbors are saying about their new Ultra-Seam® liner…

“Perfect fit, amazing pattern — even the pool water is the beautiful blue color we wanted. Plus no more seam lines! We couldn’t be happier about our Ultra-Seam liner!” — Gretchen and Todd, Pool Owners

“…we had heard about the new ultra-seam liner and decided it was time to replace our old liner. Our dealer suggested upgrading with a wedding cake step. Wow, what a difference, suddenly we have a beautiful pool that is seam free with a custom built-in step.” — Cindy and Dennis, Pool Owners

1. All vinyl liner graphics are for illustration purposes only. It is recommended by the manufacturer to view an actual vinyl sample before ordering your liner.

2. Color may vary from printed brochure. The manufacturer reserves the right to change liner selections without notice.

* Not available in Tread-Tex material
** On the Dolphin | Seabrook liner, pattern alignment may vary at the location of seams or on vinyl-over step applications.
Floor patterns help determine the shade of your pool water.

These shades represent what the pool will look like when water is added.

1. All vinyl liner graphics are for illustration purposes only. It is recommended by the manufacturer to view an actual vinyl sample before ordering your liner.

- 20 mil
- Tile Height 7-3/4”
Design Your Vinyl Over Step

Look how easy it is to add PIZAZZ to any existing pool. Our Vinyl Over Steps system can be used in any type of vinyl lined pool – polymer wall, steel wall, concrete, or fiberglass.

Consider our Vinyl Over Steps system for a beautiful uninterrupted liner pattern across your pool, and to build steps customized to your design specifications.

Ask your dealer for details.

From Simple to Sophisticated

Consider Choosing a Floor Pattern As Your Full Liner

Featuring all Crystal Floor Vinyl Liner

Featuring all Natural Grey Floor Vinyl Liner

All 27 Mil floor patterns are available in Tread-Tex for use on Vinyl Over Step applications.
LATHAM Mesh & Solid Safety Covers

Latham mesh or solid safety covers are the strongest way to prevent children and pets from getting into your pool when you can’t be there.

WE MAKE IT STRONG... TO KEEP YOUR FAMILY SAFE!
The stronger the cover, the safer the cover.
We apply exclusive, patented design and manufacturing innovations to give Latham mesh and solid safety covers unmatched strength and durability.

WE MAKE IT EASY... TO INSTALL AND MAINTAIN
Unique features such as our Latham exclusive center web and extra-long installation tool make it fast and easy to install and remove the cover. A Latham cover will keep debris out of your pool, and block virtually all sunlight – so you save on chemicals and enjoy cleaner water at opening time.

OUR SAFETY COVER DIFFERENCE...

• Get your cover faster!
  ✓ Twice as fast as most manufacturers!

• Your cover fits better!
  Largest team of order and design experts in the industry – ensures your custom cover fits perfectly

• Spring design helps your cover fit tightly against the pool deck preventing leaves and debris from blowing into your pool

• Patented RDM (Reduced Deck Mount) System ensures that your cover can attach tightly even in tight locations

• Heavy Duty Stainless Steel Coil Springs standard on all covers

• More options!
  ✓ Color options to fit any backyard
  ✓ Three mesh and two solid options
  ✓ Standard mesh drain panel or optional cover pump or Invis-A-Drain for solid covers

• Stronger fabric and seams!
  ✓ Special UV and mildew resistant formulas
  ✓ Double-folded seams – The strongest seams on the planet
  ✓ Reinforced corners to prevent ripping under stress
  ✓ Durable Chafing strips – Prevents rubbing and premature cover wear

Best warranties in the industry!

9000MX™ Max Shade Mesh™
25 Yr Warranty

7000MS™ High Shade Mesh™
15 Yr Warranty

5000M™ Standard Mesh
12 Yr Warranty

1000V™ Heavy Duty Solid
15 Yr Warranty

500P™ Lite Duty Solid
12 Yr Warranty

FORT WAYNE LINERS are ICC-ES certified when installed with the corresponding Latham Pool Products, Inc. polymer (ESR #2450) and steel (ESR #2782) certified pool kit.

Be Smart, Play It Safe

Safety Information

IMPORTANT: A number of very important items that are essential for the safe use of your pool may not be visible in many of the photographs, either because of perspective or camera angle, or because they were removed for photographic purposes. These items include, but are not limited to:

1. Safety ropes, which should remain in place at all times;
2. “No Diving” signs, which are provided and should be installed in accordance with instructions included on the coping or liner, where they are clearly visible;
3. An area sign is provided and must be permanently and conspicuously affixed in the pool area where all users can see it;
4. Necessary means of exit and entry into the pool;
5. Fencing with a self-latching gate, and other barriers that can assist in preventing unattended access to the pool by children;
6. Approved drain covers and other devices to protect against suction entrapment;
7. Minimum required inlets and returns to ensure proper water circulation;
8. Appropriate inpool lighting if the pool will be used after dark.

All of these devices should be installed in accordance with manufacturer’s instructions, ANSI/NSPI or ANSI/APPSP or ANSI/APPSP/ICC standards, as well as state and local statutes and codes.

Diving boards and slides require minimum depths and distances and must only be installed and used in strict compliance with the equipment manufacturer’s specifications and ANSI/NSPI or ANSI/APPSP or ANSI/APPSP/ICC standards. If the pool is labeled by us as NON-DIVING, then diving equipment may not be installed and any such equipment must be removed before the pool is used.

Smart pool owners always think safety first. They take specific steps to ensure that their family, friends and guests are knowledgeable about the safe and sensible use of their pool. They also:

• ensure that their pool is never used unless there is adequate supervision;
• ensure that their pool is kept in good repair and is not used when there is a missing or broken drain cover or other component;
• ensure that ALL CHILDREN using their pool are supervised constantly;
• that anyone under the influence of alcohol, drugs or stimulants that would impair their abilities or judgement does not use the pool;
• ensure that their pool is protected by appropriate barriers to unattended entry including fencing with self-latching gates, covers, alarms, etc.

To assist you, a number of very important items of safety literature are included with each pool liner and also available upon request. We must insist that you read each item carefully and follow its instructions. These are:

• Pool Owners Safety Handbook
• APSP “Sensible Way” Book
• Vinyl Swimming Pool Liner–Warranty
• “Children Aren’t Waterproof” Book
• “No Diving” Labels
• Area Sign

Make sure your builder supplies you with all of the safety information that accompanies your pool and installs the enclosed warning stickers and area sign where they can be clearly visible to all who use the pool.

NOTICE: The manufacturer stands behind every product they produced pursuant to those representations which are stated in the written warranties. Your dealer/builder/contractor is an independent business person and not an agent or employee of the manufacturer. The manufacturer cannot and does not accept any responsibility for any representations, statements or contracts made by any dealer/builder/contractor.
