Revel in a brilliantly immersive swimming experience
Your pool provides beauty, strength, peace, & distinction!

Pacific liners are designed and manufactured using the most advanced technology in the industry. Our skilled and knowledgeable designers and machine operators take pride in every liner they make. As a result, you get the highest quality, best fitting liner money can buy. Our quality control is so tight, few defects get by and we back every liner with one of the best warranties in the industry. It’s why more dealers specify our liners than any other manufacturer!

- Largest inground liner manufacturer in North America.
- Wide selection of designer patterns.
- Highest quality vinyl materials.
- State-of-the-art computer driven technology.
- Over 50 years of experience.
- Backed by one of the best warranties in the industry, 5-year full, 15 year prorated, transferable limited warranty.
- Great for replacement liners.
- Our exclusive Ultra-Seam® is standard on every liner.

Ask About Our Additional Warranty Options

VINYL LINERS
20 YEAR LIMITED TRANSFERABLE
5 YEAR FULL / 15 YEAR PRORATED
Standard pool liners present visible lines on the pool floor at the seams which ultimately detract from the beauty of the pool. Our innovative Ultra-Seam technology elevates our liners to an entirely new category.

This exclusive process makes floor seams stronger and virtually invisible, so there's nothing that gets in the way of the picture perfect beauty of your pool! Now standard on every Pacific Liner.

For more information, ask your dealer about Ultra-Seam!

5 YR FULL / 15 YR PRORATED VINYL LINER

Enhanced for 2019
2019 Vinyl Liner Full Floor SELECTION

Featuring ULTRA-SEAM Liner Technology
The strongest seams you’ll never see! Over 500,000 installs!

These shades represent what the pool will look like when water is added. Samples show the actual vinyl liner swatch to the left and the pool floor with water in the circle illustration.

Floor patterns help determine the shade of your pool water.

All vinyl liner graphics are for illustration purposes only. It is recommended by the manufacturer to view an actual vinyl sample before ordering your liner. Color may vary from printed brochure.

The manufacturer reserves the right to change liner selections without notice.

2019 Pacific Vinyl Inground Liners

All 27 mil full print liners (no tile borders) and 20 mil Penny Mosaic* are available with no additional full floor print up charge.

All floor patterns are available in Tread-Tex for vinyl over step applications.
Featuring Our NEW 2019 Full Floor Patterns

Seamlessly Integrate Liners, Steps, & Spas for your own design style!

Pacific Pools offers a large assortment of steps designed to create your perfect poolscape. A wide selection of steps, lounges, benches, and specialty steps are available in white, blue granite, and grey granite. You can also include vinyl-over steps and benches to further coordinate your poolscape.

Create a unified backyard retreat by color coordinating your entryway with your matching liner and poolside spa.

What better way to coordinate your poolscape than by matching your liner pattern with the color of your step or spa? Latham offers beautiful patterns to perfectly match our large variety of GREY and BLUE granite steps and spas. All steps and spas are also available in white. Ask your dealer for step and spa brochures to view all of Latham’s options.
The stronger the cover, the safer the cover. We apply exclusive, patented design and manufacturing innovations to give Latham mesh and solid safety covers unmatched strength and durability.

Unique features such as our Latham exclusive center web and extra-long installation tool make it fast and easy to install and remove the cover. A Latham cover will keep debris out of your pool, and block virtually all sunlight – so you save on chemicals and enjoy cleaner water at opening time.

Our Safety Cover Difference…

- Get your cover faster!
  ✓ Twice as fast as most manufacturers!

- Your cover fits better!
  ✓ Largest team of order and design experts in the industry – ensures your custom cover fits perfectly
  ✓ Spring design helps your cover fit tightly against the pool deck preventing leaves and debris from blowing into your pool
  ✓ Patented RDM (Reduced Deck Mount) System ensures that your cover can attach tightly even in tight locations
  ✓ Heavy Duty Stainless Steel Coil Springs standard on all covers

- More options!
  ✓ Color options to compliment your backyard
  ✓ Three mesh and two solid options
  ✓ Standard mesh drain panel or optional cover pump

- Stronger fabric and seams!
  ✓ Special UV and mildew resistant formulas
  ✓ Double-folded seams - The strongest seams on the planet
  ✓ Reinforced corners to prevent ripping under stress
  ✓ Durable Chafing strips – Prevents rubbing and premature cover wear

Your backyard becomes your own private retreat!
### SAFETY INFORMATION

**IMPORTANT:** A number of very important items that are essential for the safe use of your pool may not be visible in many of the photographs, either because of perspective or camera angle, or because they were removed for photographic purposes. These items include, but are not limited to:

1. Safety ropes, which should remain in place at all times;
2. "No Diving" signs, which are provided and should be installed in accordance with instructions included on the coping or liner, where they are clearly visible;
3. An area sign is provided and must be permanently and conspicuously affixed in the pool area where all users can see it;
4. Necessary means of exit and entry into the pool;
5. Fencing with a self-latching gate, and other barriers that can assist in preventing unsupervised access to the pool by children;
6. Approved drain covers and other devices to protect against suction entrapment;
7. Minimum required inlets and returns to ensure proper water circulation;
8. Appropriate in pool lighting if the pool will be used after dark.

All of these devices should be installed in accordance with manufacturer’s instructions, ANSI/NSPI or ANSI/APSP or ANSI/APSP/ICC standards, as well as state and local statutes and codes.

Diving boards and slides require minimum depths and distances and must only be installed and used in strict compliance with the equipment manufacturer’s specifications and ANSI/NSPI or ANSI/APSP or ANSI/APSP/ICC standards. If the pool is labeled by us as "NON-DIVING," then diving equipment may not be installed and any such equipment must be removed before the pool is used.

Smart pool owners always think safety first. They take specific steps to ensure that their family, friends and guests are knowledgeable about the safe and sensible use of their pool. They also:

- ensure that ALL CHILDREN using their pool are supervised constantly;
- that anyone under the influence of alcohol, drugs or stimulants that would impair their abilities or judgment does not use the pool;
- ensure that their pool is protected by appropriate barriers to unsupervised entry including fencing with self-latching gates, covers, alarms, etc.

To assist you, a number of very important items of safety literature are included with each pool liner and also available upon request. We must insist that you read each item carefully and follow its instructions. These are:

- Pool Owners Safety Handbook
- APSP’s ‘Sensible Way’ Book
- Vinyl Swimming Pool Liner—Warranty
- "Children Aren’t Waterproof" Book
- "No Diving" Labels
- Area Sign

Make sure your builder supplies you with all of the safety information that accompanies your pool and that you install the enclosed warning stickers and area sign where they can be clearly visible to all who use the pool.

**NOTICE:** The manufacturer stands behind every product they produce pursuant to those representations which are stated in the written warranties. Your dealer/builder/contractor is an independent business person and not an agent or employee of the manufacturer. The manufacturer cannot and does not accept any responsibility for any representations, statements or contracts made by any dealer/builder/contractor.
