Water. We are naturally drawn to it.

It’s why you’ve been thinking about a pool, and all the benefits you’d enjoy from owning one.

Your backyard becomes your own Private Retreat.

WHY CHOOSE A PACIFIC POOLS SHOWCASE BUILDER?

The most important decision you make when putting in a swimming pool isn’t the shape, size or liner pattern. It isn’t the landscaping or the fencing around the pool. Without a doubt, nothing influences your satisfaction with your completed swimming pool more than the builder you choose.

Pacific Pools has selected top builders from around the country to become members of its Showcase Builder program. These builders have excellent reputations in their area for building swimming pools of exceptional design and quality. Showcase Builders have the opportunity to take advantage of educational conferences, seminars and training classes offered by Pacific Pools and benefit from an informal network where they can share best practices and design ideas with each other.

When you select a Showcase Builder to create your new Pacific Pool, you’re getting the best. Showcase Builders have won numerous awards, including the Master of Design Award, the AQUA 100 Hall of Fame Award, and several Association of Pool and Spa Professionals (APSP) builder and design awards. Their pools have been featured in a variety of magazines, including Luxury Pools and Pools & Outdoors. Our Showcase Builders have been invited by the APSP to teach seminars and give lectures on pool construction and design.

Your Showcase Builder will see you through the entire building process, from start to finish. All Showcase Builders offer you the pool with the best warranty in the industry – from Pacific Pools. Talk to your local Showcase Builder today!
Set your Creativity free.

Your Pacific Pools Showcase Builder will help you design the pool you’ve been dreaming of!

Pacific Pools

Comprised of four separate systems – the wall panels and braces, steps, liner and cover – the Pacific Steel Pool System delivers maximum strength and durability for years of maintenance-free enjoyment. So relax knowing that your new Pacific Pool is backed by a transferable Lifetime Warranty.

- The Pacific Steel Wall Panels and Braces combine the strength of the materials we use with the strength offered by the overall design. Your Pacific Pool meets or exceeds The Association of Pool & Spa Professionals standards.

- Beautiful step options include molded thermoplastic, fiberglass in-wall steps, or our vinyl over steps.

- The vinyl liner provides a soft, smooth surface – the most practical pool surface in the industry – it is both beautiful and easy to maintain.

- Coverlogix automatic covers, and Coverstar® automatic, mesh, or solid safety covers are custom-built to fit your pool perfectly and manufactured from best-in-class materials. Our covers offer the best protection available for your family and your pool investment!

We’re behind You all the way.

LATHAM WARRANTY INFORMATION

Relax knowing that your new Pacific Pool is backed by a transferable Lifetime Limited Warranty.

Latham has over 60 years of experience manufacturing pools. We don’t just talk the talk – we walk the walk — by offering a lifetime transferable limited warranty. Warranties are the most comprehensive in the swimming pool manufacturing industry because we stand behind, and believe in, the high quality of our products.

STEEL WALL WARRANTIES

Pacific Steel wall panels and braces carry a lifetime, non-prorated, transferable limited warranty.

THERMOPLASTIC STEPS

Thermoplastic steps carry a lifetime, non-prorated, transferable limited warranty.

STEP SYSTEM WARRANTY

Acrylic/fiberglass steps carry a 25-year limited warranty.

VINYL LINER

Pacific liners come with a 20-year transferable warranty — 5-year full replacement and 15-year prorated against manufacturer defects.

SAFETY COVERS

Our safety covers are the strongest in the industry, so we can offer the best warranties in the industry.

BUILDING PERMITS ARE EASIER WITH PACIFIC POOLS.

ONLY WE INCLUDE THE ICC CERTIFICATION

We are the only packaged pool manufacturer to receive ICC-ES Certification of its products. What is ICC-ES? International Code Council Evaluation Service (ICC-ES) ensures that building products meet code requirements.

Building inspectors and engineers look to the ICC-ES evaluation reports for evidence that the products and systems are code-compliant — and can receive a standardized branded pool blueprint coded with ICC-ES report number, stamped and signed by a licensed engineer. Inspectors' #1 choice for approving building codes are ICC-ES certified products*. 

*Final permit approval is up to the discretion of each individual municipality's code official.
Pacific Pool Steel wall panels.

Our unique combination of the Pacific Steel Wall Panels, the Bracing System, and concrete provides superior strength and endurance.

Factory engineered, each Pacific Steel Wall panel is made of corrosion-resistant steel and its strength is unparalleled. Add a five inch flange top and bottom and you won’t find a stronger steel panel. In fact, we’re so confident of that strength, we offer a one-time transferable, lifetime warranty of the pool wall structure.

Our Pacific Steel Wall panels combine galvanized steel with innovative design to provide superior structural integrity. Here’s how:

- Our Pacific Steel Wall panels are made of galvanized steel which are corrosion-resistant.
- Our sturdy, heavy gauge galvanized steel braces around the entire pool provide solid support for pool walls.

When using a complete Pacific Pool kit, it can take as much as 75% less time to install as compared to other pool construction technologies.

If you like being on the cutting edge of things, how about adding our newest addition, the fiberglass spill-over tanning ledge, to enjoy in your vinyl pool!

Built fiberglass strong, these tanning ledges come in several styles to accommodate the most discriminating vinyl pool owner.

VINYL OVER AND OPEN TOP VINYL OVER STEPS
CREATE A BEAUTIFUL POOL ENTRY

To fully integrate your steps with the look of your liner, the vinyl over step is a perfect choice, and a great step for pools with autocovers.

Our Modular Polymer or Steel Steps are more than just a swimming pool step. You can choose to combine them with a bench for a customized poolscape. Since your pool liner goes right over the modular frame, you’ll have the uninterrupted beauty of your liner pattern throughout your entire pool.

Ask your dealer for a full list of step shapes and types available, or customer create your own.

Standard pool liners present visible lines on the pool floor at the seams which ultimately detract from the beauty of the pool. Our innovative Ultra-Seam® technology elevates our liners to an entirely new category.

This exclusive process makes floor seams stronger and virtually invisible, so there’s nothing that gets in the way of the picture perfect beauty of your pool!

Now standard on every Pacific Liner.

For more information, ask your dealer about Ultra-Seam®!

Here’s what your neighbors are saying about their new Ultra-Seam® liner.

“Thank you so much for building our beautiful pool. We are very pleased with how well the whole experience went. We are especially happy that we chose an Ultra-Seam liner. The seamless look is one of the best features of our pool, and we’ve gotten lots of compliments.”

Bill and Lise, Pool Owners

“We had never heard of Ultra-Seam before, but when we called our pool dealer to have a new liner installed, he recommended it. We’re so glad we went with his recommendation, because it sure makes our pool look great! We were surprised to see the huge difference an Ultra-Seam liner made.”

Frank and Deb, Pool Owners

“This is our second year with our Ultra-Seam liner, and beside the great look of no seams, I’ve got to mention how much easier it is to keep clean with the smooth seams. It’s a win-win situation.”

Linda, Pool Owner
Over 60 Years of Experience in Producing Top Quality Liners
Pacific was the first to introduce printed vinyl liners and was the first to introduce 3-D designer pool liners. For over 60 years we have revolutionized the liner industry and continue to be the design leader today. Our vinyl pool liners are easy to clean, soft to the touch, and look fantastic!

Made from the best vinyl material available, our liners are algae and bacteria treated and UV resistant for a longer life.

Quality, Fit, and Protection
Pacific liners are designed and manufactured using the most advanced technology in the industry. Our skilled and knowledgeable designers and machine operators take pride in every liner they make. As a result, you get the highest quality, best fitting liner money can buy. Our quality control is so tight we back every liner with one of the best warranties in the industry. It’s why “More dealers specify our liners than any other manufacturer!”

Wide Selection of Designer Choices and Exclusive Patterns
Pacific offers an extensive array of designer patterns including Exclusive pattern choices, only available through your Pacific Showcase Builder. Your individuality is important to us. We are proud to offer you choices that will allow you to customize your poolscape to match your style and taste.

A backyard swimming pool is the ultimate source of family fun! But when it comes to children and pets, it is also the source of safety concerns. No parent can be watching over the pool every minute. No fence or alarm can prevent a child from getting access to an unsupervised pool. A Latham autocover automatic safety pool cover can!

Strong protection – at the touch of a button!

Simply flip a switch, and your automatic safety cover will create a barrier over your pool that no child or pet can penetrate. Custom-built to fit your pool perfectly and manufactured from best-in-class materials, our autocovers are the best protection available for your family and your pool investment!

Save on heat, water, electricity, and chemicals.

An autocover cover acts as a passive solar heater, increasing the temperature of your water by eight to ten degrees. It also reduces evaporation of water as well as consumption of chemicals.

Your autocover cover keeps dirt and debris out of your pool. Time spent cleaning out dirt and leaves and putting in new chemicals is almost eliminated! Less time cleaning, more time enjoying!

Think about your garage door.
You press a button; it opens.
You press the button again; it closes.

What if covering and uncovering your pool was that simple?

**Our Latham Safety Cover Fabric Collection**

We designed our Latham Safety Covers to protect both your pool and your family. Our pool covers are manufactured to your specific pool size and shape. A properly installed Latham Safety Cover will help prevent accidental intrusion by children and pets.

**9000MX™ Max Shade Mesh**

25 Year Warranty*

The 9000MX is engineered for a new level of protection. Built with reinforced mesh, box stitched thread at critical webbing joints and equipped with heavy-duty suspension, this cover is designed to exceed expectations and is appropriate for demanding applications.

**7000MS™ High Shade Mesh**

20 Year Warranty*

A lightweight, ultra-fine weave mesh blocks 99% of sunlight and filters fine dirt particles down to 40 microns. Rain and melting snow simple drain through the mesh. Excellent all-climate performance in a low maintenance, easy care cover.

**5000M™ Standard Shade Mesh**

15 Year Warranty

This durable micro weave fabric has the highest abrasion resistance and tear strength in its class. It filters debris and dirt while allowing water to freely drain through the mesh. A good choice for a combination of protection and value.

**1000V™ Heavy Duty Solid Vinyl**

15 Year Warranty

Our solid polyester vinyl cover is a complete barrier to sunlight, dirt, debris, and water. Heavy-duty construction provides protection from the elements and prevents algae growth, which helps for faster spring pool openings.

**500P™ Lite Duty Solid Vinyl**

12 Year Warranty

Our lite weight 7 oz. solid polyester vinyl cover will provide a 100% barrier from the sun. The light weight material is easy to handle, and is UV and mildew resistant. Available in blue and green.

*9000MX and 7000MS Mesh U.S. Patent No. 6,886,187 – 99% Shade Properly winterizing your pool in conjunction with a Pacific safety cover will provide maximum protection against algae growth. With 91% sunblock, the 5000M, may be less effective in minimizing algae growth in certain installations.
